

WELCOME! Thank you for choosing to participate in the **5 mile** ride for the annual Bike Shenandoah event this year.

Start time: 11:00 am, Saturday September 18th, 2021

- Please arrive by 10:30 am to check in
- Give yourself 15 minutes or so of easy spinning to warm up

Start Location: EMS parking lot - 801 Parkwood Dr., Harrisonburg, VA, 22802.

Directions:

- Riders will leave as a group promptly at start time.
- Use proper hand signals and obey the rules of the road.
- Use the bike lane when available.
- Ride single file mostly, definitely no more than 2 riders side by side.
- Give plenty of room to the riders next to you to avoid crashes.
- Ride at your own pace - a pace that is comfortable for you.
- However, having riding partners choosing to work together at a similar pace will make the ride easier, provide opportunity to get acquainted with fellow riders and help create an enjoyable day of cycling for service.

Ride Markers: Red Dot

- The route is marked with a fluorescent **Red Dot**
- The White dot is your reference point.
- Turn right: If the Red dot is to the right of the White dot.
- Turn left: If the Red dot is to the left of the White dot.
- Continue Straight: If the Red dot is above the White dot.
- Other dots: This route mark is also used for other rides so you may see other dots, e.g. the 15 mile ride follows a Green dot.
- If you find markings are confusing or you see a discrepancy with the cue sheet, the cue sheet provided before the race is the correct route to follow.
- There may be other cycling event routes marked on some of the roads we are using. Be sure to follow the Bike Shenandoah **Red Dot** markings and not another route.

Notices:

- There may be some heavy traffic when it crosses Mt. Clinton Pike.
- The route has a few hill climbs.
- Be sure to stay hydrated.
